

Peugeot 206GTi and 206GTi180 Discs and Pads.

There are 2 options for 206GTi's, sometime in 2002 when the 206GTi gained 16" rims and became full multiplex, the brake pads, discs and callipers were updated. All 206GTi's and GTi180 have the same rear disc/pad setup.

206GTi 99-01 / Front Disc	206GTi 99-01 / Front Pad
